Family Development Camp Postponed

The Family Development Camp has been postponed until May of 2013. Families were having problems getting the finances and the required paper work in. If you are interested in joining the camp, please sign up now and we can arrange a payment plan that fits your budget. When the camp comes along in May of 2013 your camp experience will be paid for. Call Laura at 907-376-0366 and she will send you the required paper work and set up your payment plan.

The one week Family Development Camp was designed to help families to bond and help children with ADD, ADHD, RAD, ODD, OCD, PTSD, Tourette's, Asperger's, the effects of early trauma and adoption and Bipolar disorder. With RAD so common and such a huge issue we have mainly focused on those children but many have multiple diagnosis. The focus of the camp is to increase love, laughter, bonding, self-control, and child conscience development in the family.

The goal of the Camp is to teach parents of emotionally disturbed children how to help their child to be successful. Each morning the parents attend a training, encouragement support session. They then practice the new skills with staff support to fine-tune the interventions throughout the day.

The lessons are:

- **Taking care of yourself**
- **Understanding the brain and how to heal it**
- **Establishing respect**
- **Understanding conscience development and how to advance it**
- **Creating and maintaining the heart to heart connection**
- **Helping a child develop self-control**
- **Setting limits and helping the child to accept the limits**
- **Supercharge your expectation of responsibility**
- **Expect restitution for damages**
- **Winning control battles**
- **Teach your child to think for him/herself**
- **Guide the processing of feelings**
- **Building self-worth**

About Alaska Attachment & Bonding Associates

AABA is a non-profit organization that provides education, training, support and advocacy for kinship, adoptive and foster families who care for children with emotional disorders, such as Reactive Attachment Disorder (RAD), and professionals who work with this population of children.

AABA's area of Focus: **PREVENTION** of abuse/neglect

PLACEMENT information

TRAINING in Attachment

COMMUNITY Resource information

WHAT drives AABA?

AABA is passionate about traumatized children.

AABA has first hand experience with Attachment Disorder children and knows the special care and treatment needed to help these children learn love and trust.

Left untreated, children with Attachment Disorder and other emotional disorders are often times shipped to out-of-state Residential Treatment Centers (RTC's), and are likely to become emotionally disturbed adults, unemployable, likely to be involved in drugs, alcohol or other illegal activities.

Attachment Disorder children place a huge impact in dollars, stress, crime, and livability in the Mat-Su Borough and throughout Alaska.

WHY should you care?

Because this is a preventable disorder and will take the community working together! AND, "**BECAUSE THIS IS YOUR HOME!**"

The Bingo Mania is a light yellow building away from all the hustle and bustle of the bowling alley. A much more pleasant and serene atmosphere. There is a Bingo Mania Deli for all the hungry Bingo people. Bring a friend and help celebrate this new kind of Bingo establishment. Bingo Mania is located at 6445 e.
