WHAT drives AABA?

AABA is passionate about traumatized children.

AABA has first hand experience with Attachment Disorder children and knows the Special care and treatment needed to help these children learn, love and trust.

Left untreated, children with Attachment Disorder and other emotional disorders are often times shipped to out-of-state Residential Treatment Centers (RTC's), are likely to become emotionally disturbed adults, unemployable, and are likely to be involved in drugs, alcohol or other illegal activities.

WHY should you care?

Because this is a preventable and/or treatable disorder and will take the community working together!
